SHYC PRESIDENT'S REPORT  
April 2021

Dear Members,

Our annual meeting was held on March 25<sup>th</sup>. The election results were tabulated by independent election observers and announced at the conclusion of the meeting. Both Vice President Nick Amelio and I were reelected to the board with over 88 % of the total votes. Officers were elected at that meeting. Here are your Board of Directors for 2021 and 2022.

Peter Mazzagatti, President  
Rich Levine, Vice President  
Nick Amelio, Secretary-Treasurer  
Jo Googin, Director  
Dr. Gary Aspinwall, Director

I want to thank you for your support, and I appreciate it very much. I love the club and my job as President. We all work many hours in our duty. We are Board members because we are dedicated to keeping Sanibel Harbour Yacht Club a 5 Star Yacht Club that has been a highly successful business and will continue to be so under our direction and leadership.

**FINANCIAL REPORT AS OF April 2021**

<b>Cash</b>	<b>\$198,069</b>
<b>A/R:</b>	<b>\$ 81,878</b>
<b>A/P:</b>	<b>\$ 35,886</b>
<b>Reserves</b>	<b>\$324,888</b>
<b>Reserve CD:</b>	<b>\$106,021</b>
<b>Total Reserve:</b>	<b>\$430,909</b>

We have had an outstanding season thru mid-April. Sales in both fuel and food and lounge are up. We continue to launch a record number of boats. We are at 98% capacity and the largest slips are selling at record high prices.

We are doing all of this with the lowest number of employees in our club history. The unbelievable employee shortage is affecting our entire area. Our management has done an outstanding job in dealing with this situation. Many of our employees are working overtime to keep us operating as smoothly as possible. If you know of anyone who is looking for a job, we are hiring in all divisions. We offer a competitive wage, health insurance, 401K, and sign on bonus to full time employees.

As some of you are aware, we have a new food and beverage manager. His name is Adrian Boneta and he is excelling in his new position at SHYC. Adrian has over 30 years of experience in bar and restaurant management and has been very well received by our guests. As we approach summer, I ask all members to please support our restaurant when possible. We have expanded our menu and our chefs are excellent. Give us a try. You will experience a new level of service and overall dining experience.

As more and more people are vaccinated, I am happy to report that we are going to restart our member appreciation promotions. We will have our hot dog giveaways this Memorial Day, 4<sup>th</sup> of July and Labor Day. Free hotdogs, snacks and soft drinks to all members and guests!

The manufacturer has once again promised that the forklift will be ready for delivery within the next 3-4 weeks. The manufacturer is experiencing the same employee shortage as we are and expressed his apology for the delay.

### **March-April EMPLOYEES OF THE MONTH**

March employee of the month is Luis Serna he is in our forklift department. He consistently excels at his work.

April employee of the month is Maxwell Tutko who works in the valet area. Maxwell is new to our staff but has hit the ground running with his professionalism and work ethic.

Congratulations to you both!!!

Your Board of Directors and I are extremely dedicated to keeping our club a 5 Star marina with great service and value for our members. We want to keep our facility not only a great place to store your boat and entertain your family, but also a great investment as well. We listen to you and are available at any time to speak with you and assist in any manner necessary. Once again, I thank you all for your continued support and encouragement.

Sincerely,

*Peter Mazzagatti, President*
