

SHYC PRESIDENT'S REPORT March 2019

Dear Members,

With season in full swing we are extremely busy with launches averaging 30+ during midweek days and 50+ over the Friday-Monday period. Our staff is performing very well under the excellent management of Chad, Jon, Javier, Kristi and Taylor. We are operating at near capacity so please make sure you reserve a space for launch since it is very difficult to launch your boat with short notice.

We had numerous events in February and more planned for March. We hope that you fully join in and enjoy our club . We had 2 Fun Runs in February. We went to the Boat House up river (not Cape Coral) and had a great time, windy weather notwithstanding. Last week we went to the Boca Grande Marina (Miller's Marina). We had 54 members attend. After an adventure with the windy weather and rough seas we had lunch and plenty of laughs. Most of the group rented golf carts and toured the beautiful town of Boca Grande. Our trip coming home was pleasant since the wind had subsided and the waters were quite a bit calmer.

Our annual members Board meeting will be held on March 28. If you have not completed your proxy vote for proposed amendment change, please do so and mail, fax, or email it in prior to the meeting. You may also bring it to the meeting. This measure has been brought to the members on two other occasions. While an overwhelming number of members have voted **yes** to the documents' change (**over 95%**) we have fallen a few votes short of the 195 votes needed because only 48% of the total membership voted. The Board of Directors urges members to approve this change. Let's ensure that we keep Sanibel Harbour Yacht Club the 5 Star Yacht Club status that we enjoy with our families and guests. If you did not receive the ballot, please email or call Chad for another copy: chad@shycfl.com

ITALIAN FEAST BUFFET

Growing up in a second-generation Italian American family I know what great Italian food should taste like and this event is a special one for me. As a young man I can remember pulling up to my grandparents' home and smelling the incredible aroma of spaghetti gravy/sauce that had been cooked for hours. I have lent my Mom's recipe to our excellent chefs for this buffet. The recipe contains 10 ingredients that have been used by my family to make great Italian "gravy" for 3 generations.

Mangia bene!!
